Resume Guide

The goal of resume is to showcase your strongest skills first, to get the reader's attention, and to encourage them to keep reading further. The required sections are:

Margins:

- 1" for Freshmen

Font:

- Garamond. Resume Management Systems that many organizations use do not process graphics: avoid graphics, lines or italics. Email address and LinkedIn URL must not be hyperlinked. Dates should be right aligned.

Header:

- Name
Font Size: 20 Font: Garamond
- Contact information
Wabash Email, Phone Number
Font Size: 12 Font: Garamond
- LinkedIn URL
For more information see LinkedIn Guide

Profile:

- Highlight the biggest selling points. 2 lines max (can be in bullets)
- Font Size: 12 Font: Garamond
- The section title "**Profile**" will be bolded but everything else will be regular

Education:

- Details of the formal educational experiences. Include Minor(s), GPA
- Font Size: 12 Font: Garamond
- **Education** and the form of education (i.e.: **B.A. Spanish**, or **Diploma**) are the only things bolded
- **Technical Skills:** If you know computer programs, programming languages, foreign language, or how to use various software/hardware put this here

Professional Experience:

- Details of relevant experiences
- Font Size: 12 Font: Garamond
- **Professional Experience** and every **Job Title** (i.e.: **Sales Associate** or **Intern**) are the only things bolded

Extracurricular Experience:

- Everything that is not pertaining to academics or professional experience should come in this section. Details on training, campus and community involvement, technical skills, volunteer works, language skills.
- Font Size: 12 Font: Garamond
- **Extracurricular Experience** and every **Title** (i.e.: **Volunteer** or **Intern**) are the only things bolded

Professional Experience(s) Section:

Only include specific results-oriented information (“accomplishments”) that will interest the reader, not every experience. Quantify wherever possible. Bullets must start with action verbs related to skills learned/developed and should answer “Why?” and/or “How?”
DO NOT simply list job duties.

Example of job duty:

- “Assisted with classroom activities for music students”

3 Examples of Accomplishments:

- Exposed students to meaningful musical experiences (WHY?) to enhance their social and academic development (Note: Specifics about experiences and development needed)
- Enhanced students’ social and academic development (HOW?) by exposing them to meaningful musical experiences (Note: Specifics needed)
- Created an interactive learning environment (HOW?) through creative drills and skills practices (WHY?) to increase engagement (again, specifics needed)

Extracurricular Experiences:

- Every entry must have at least one sentence explaining the role.
- You are telling a story – be as specific as possible. DO NOT just list activities, positions, programs, immersion experiences.
- **Technical skills** can be a separate section depending on proficiency and relevance with the applied position. It can go right after **Education** in such a case, otherwise keep it under **Extracurricular Experiences**.

Remember, consistency is the key!
